University of Louisville

Dear Mr. Tracy:

On this opportunity, we would like to extend our sincere thanks for sharing with us your experience with the Ensemble Exchange between our institutions, during the United States Semester at Universidad El Bosque on December 1 at 3 pm.

For our University, it is a great honor to continue strengthening the ties that unite us with the academic and scientific community of the United States, especially with an important ally such as Louisville University.

We hope to be able to welcome your participation in future events relevant to our institutions, as well as to explore different cooperation areas of mutual interest.

Yours sincerely,

MARÍA CLARA RANGEL GALVIS
